

## Important Advice for Policyholders of QBE Travel Insurance: Sumatra Earthquake

Issued: 2<sup>nd</sup> October 2009

On 30<sup>th</sup> September a high magnitude earthquake occurred off the coast of Sumatra, Indonesia, northwest of Padang city. Reports indicate a large number of casualties and significant damage to buildings and infrastructure in Padang and surrounding areas.

### What policies are covered by this advice?

The following advice relates to policies issued prior to 4:00am AEST, 30<sup>th</sup> September 2009. There is no provision to claim amendment/cancellation fees due to the Sumatra earthquake for policies issued after 4:00am AEST on 30<sup>th</sup> September 2009.

### FOR POLICYHOLDERS CURRENTLY OVERSEAS THAT HAVE DIRECTLY BEEN AFFECTED

There is provision to cover the following:

- a) **Emergency medical expenses** if you have been injured as a result of the Sumatra earthquake.
- b) **Baggage/property losses** if you have lost or damaged personal items including travel documents as a result of the Sumatra earthquake.
- c) **Cancellation costs for unused prepaid arrangements** if you have not been able to complete prepaid travel plans as a result of the Sumatra earthquake.
- d) **Additional costs from changes to travel plans** including accommodation and transport expenses if your travel arrangements have been directly affected by the Sumatra earthquake. You must however take all reasonable steps to minimise their claim. In most cases, airlines and travel agents are able to facilitate this.

You should contact QBE Omega Emergency Assistance to arrange the above and prior to making any changes to arrangements. Claims can also be lodged after your return by contacting QBE Claims or obtaining a claim form from [www.qbetravelinsurance.com.au](http://www.qbetravelinsurance.com.au) and following the relevant instructions.

### FOR POLICYHOLDERS WHO ARE YET TO DEPART AUSTRALIA

There is provision to cover the following:

- a) **Amendment costs or cancellation fees** if you are travelling to Sumatra after 30<sup>th</sup> September 2009 and planned to stay in the affected areas before **9<sup>th</sup> October 2009**.

Subject to insurance cover being confirmed, the policy can provide coverage where the cost of altering/deferring is less than the cost of cancellation charges for the part of the trip which has been affected. If the cost of altering/deferring is greater than the non-refundable value of the part of the trip that has been affected, then the policy can provide coverage for this non-refundable unused proportion.

You must however take all reasonable steps to minimise your claim. In most cases, airlines and travel agents are able to facilitate this.

Claims can also be lodged after your return by contacting QBE claims or obtaining a claim form from [www.qbetravelinsurance.com.au](http://www.qbetravelinsurance.com.au) and following instructions. You must supply documentation as outlined on the claim form to support your claim.

- b) **Premium refunds** if you are due to commence your trip to Sumatra after 30<sup>th</sup> September 2009 but before 30<sup>th</sup> November 2009 but have not yet commenced their trip and wish to cancel it. You should contact the issuer of your policy or QBE Customer Service.
